

Tasman Motorsport Charity Dinner

Yes, the boys from Tasman are coming across the ditch to help the Cystic Fibrosis Association of New Zealand to raise some money to keep kiwi kids struggling with this nasty disease, breathing easy.

Greg Murphy and Jason Richards will join the Holden Enthusiasts, Holden Business and Motor racing communities, at SKYCITY on Saturday, May 31st, to celebrate a great year at the V8 Supercars! We will have great food, quality drinks and entertainment and the rare opportunity to hear these two exceptional drivers talk about their experiences.

50 people will also have the extra special chance to be a part of an exclusive cocktail hour, sponsored by Big Ben Pies where they will get to meet the boys face to face.

PLUS! 5 lucky ticket holders will win ***a HOTLAP with the boys at Pukekohe*** on the day of the dinner!

This is the best corporate hosting opportunity you will have all year! Take one table or more! and entertain your top clients or your valued staff to a fun-filled night with NZ's V8 Supercar Heros!

The highlight of the evening will be the Charity Auction of Greg Murphy's 2007 season racecar. This is a FIRST TIME EVER opportunity for New Zealand buyers of serious sports history. Never, in the history of this class of racing, has a racecar come up for sale within New Zealand! Interested parties should ensure early that they have a seat at the dinner. Remote bids will be accepted on the night. All enquiries regarding the car should be directed to CFANZ in the first instance on kate@cfnz.org.nz

Yours sincerely
